About this Conference

This training is for: (1) those who want to be equipped to set captives free, body, soul, and spirit, and (2) those who need healing of body, soul, and spirit (many will find healing and freedom during the training). Seumean's training team teaches a balanced and holistic perspective on the healing power of God fully centered on Christ and His Word.

About Seumean Kuon

Seumean was born in Cambodia and immigrated to the United States with his family as a refugee during the Vietnam War. Graduated from Brown University in 1988. Consultant for 20 years with Anderson Consulting, IBM, Lockheed Martin, and NASA. Seumean came faith in Christ in 1992 after being healed from a ten-year depression. He studied inner healing for over two years, paying over \$2,000, and reading 480 plus pages of material. He prayed, “Lord, this is too expensive, too long, and too hard for every believer to walk in. Do You have something simpler?” Over six years the Lord helped Seumean develop a teaching on emotional healing that now takes three days to teach, using 20 pages of material, which he offers for free. Many have been healed of depression, sexual abuse, anxiety, fear, relational issues, and much more.
