

## Impact

Listen to **Sheryl's** story, a dyslexic woman who didn't think she could ever read through the entire Bible. <https://ScriptureAwakening.com/sheryl>

*"WOW! I thought I would get a good overview of the Bible but didn't expect more. I was wrong! Each day the Lord revealed things I'd never noticed (or at least never understood) previously! Reading the Bible this way showed me context like I never imagined. This has been such a powerful experience for me!"*

— **Suzanne Larson** • Bishop Creek Community Church • Bishop, CA

*"I've been in ministry for close to 30 years, and I can't recall a similar movement that has touched so many people so deeply. The conversations in the hallways, in homes, after church, on the parking lot, and within families has been remarkable. We had 451 people participating at the church and more who are reading along."*

— **Ben Disney** • Senior Minister, Arborlawn United Methodist Church • Fort Worth, TX

# What inspires you?

A seaside sunset? A mountain vista? Your children? Perhaps your accomplishments, vocation, or purpose in life? Or maybe it's something more—not in the past or present time—but beyond. God places eternity in our hearts...and with it, a deep desire to be part of something bigger than ourselves. For significance. That your life makes a difference for good—both now and forever.

One of the great needs of any age is for Christians to become established and grounded in their faith, becoming beacons of God's light and truth throughout the world. Scripture Awakening seeks to foster an awakening in people to the power of God's Word throughout the world—both now and forever.

## SCRIPTURE AWAKENING **PARTNER**

A **Partner** commits to praying for Scripture Awakening as God leads and to giving regular and generous financial support, as God allows. Partners will:

## Mission

Since 1998, Scripture Awakening has been creating digital and printed Biblical resources. We provide digital versions freely to equip pastors, ministry leaders, individuals, and facilitators of renewal to strengthen their faith and walk. Our resources are designed to guide people to *read*, *study*, and *live* God's Word. Our resources have been tested, refined, and proven effective in the lives of hundreds of thousands, for almost three decades. We also host in-person and online gatherings to help people connect with God and each other through a growing knowledge of Scripture and united prayer.

## Goals

To facilitate and support small group discipleship nationally and worldwide. To impact at least a million people over the next seven years with God's Word. We will accomplish this by continuing to produce resources to foster an awakening grounded in Scripture. We intend to distribute them through media and existing networks in the Church, ministries, educational institutions, prisons, military, and other spheres of influence, providing training for their use.

## Income

Through the generosity of God's people, Scripture Awakening is able to offer its digital resources, seminars, training events, and coaching services free to the public. Our annual budget is generated from the following sources:

- Patrons & Partners
- General Public
- Foundation Grants
- Church Giving
- Printed Product Sales
